

Airflow Club of America

58th National Meet

Cambria, California

July 16-20, 2023

Cambria Pines Lodge

SUNDAY, JULY 16TH CHECK-IN DAY

Welcome to Cambria Pines Lodge.

If you haven't already done so, you should immediately reserve a room to receive the ACA discounted rate. Call the hotel's **toll-free number at 800-966-6490** and choose your room. Say you are with the AIRFLOW CLUB OF AMERICA. You will need to guarantee it with a credit card.

A block of rooms of various prices is being held for us until **June 15**. If you want to stay an extra day before or after the meet at these rates—just ask. The hotel is reserving parking spaces for trailers—be sure to let them know if you will be bringing a car hauler.

When you arrive, **check in with the hotel first**. Your welcome packet will be in the **Airflow Club Hospitality Room, Peacock B** (our room for the week). From Reception, walk into the lounge and go straight through to find it. Stop in and say hello! Join the **welcome party** there (around 5 pm). Enjoy snacks, courtesy of the ACA Western Region.

Your welcome packet includes your name badges and the 58th ACA Meet **DIY Tour Book**. The Western Region has assembled a list of short to medium outings to destinations we think you might enjoy during the free time planned into the schedule. Veteran meet participants appreciate

the opportunity to renew friendships and spend time together. These unscheduled hours are your opportunity to expand your circle of Airflow friends! If you have some time on check-in day, take a look around the area. Cambria is a small town of about 6000 residents with an interesting main village and close proximity to the Pacific Ocean and beaches. Get the lay of the land with some new acquaintances and some old friends!

Dinner Sunday night is on your own. Check your *DIY Tour Book* for recommendations.

MONDAY, JULY 17TH DRIVING-TOUR DAY

Breakfast is provided in the hotel restaurant every day for guests.

8:30 am with three planned stops through the day

Line-up our Airflows and modern cars. Carpooling is encouraged! If you would like to share a ride, be in the parking lot by 8:30 am, where all participants should be forming up, ready to go. Driving directions will be provided. Summertime traffic will make caravans impractical, so each driver needs to find the way to our destinations. A dedicated navigator in the front seat is recommended!

The Estrella Warbirds Museum and Woodland Auto Display, our first stop, is just 40 miles away. Admission is about \$20; pay at the door. Leave around noon to drive nine miles into **Paso Robles** for lunch at the **Firestone-Walker Taproom**. (*order off menu, each pays own*). Try their 805IPA—it's a best seller.

After lunch, drive 7 miles to **Caparone Winery**. Founded and still operated by ACA-member Dave Caparone and family, the winery specializes in imported Italian grape stock and Italian winemaking traditions. You can taste some Caparone wines and view Dave's personal car collection, including a few Airflows. The drive back to the hotel is about 40 miles.

Monday Morning Alternate

If the Driving Tour doesn't sound like your cup of tea, you might like to visit the old **Piedras Blancas Light Station**, 13 miles up coastal Route 1, which is named and signed **Cabrillo Highway**. You can tour the ground on your own. A morning guided tour is available for you to **book before you get to the meet at www.piedrasblancas.org** (about \$10 per person). It's recommended to book well in advance. Whether on your own or with a pre-booked tour, allow at least a half-hour to stop at the **San Simeon Elephant Seal Rookery** viewing point along the way. Directions will be provided in your welcome packet.

Estrella Warbirds Museum

Woodland Auto Collection

Paso Robles

Caparone Vineyard

Monday afternoon is free after returning from the tour. If you have the time and inclination, choose one of the suggested outings from your *DIY Tour Book*. How about a driving tour of Cambria or a trip to the beach?

Dinner Monday night is on your own. Check your *DIY Tour Book* for recommendations.

6:30 pm – Airflow Club Board Meeting (location to announced)

8:00 pm – Airflow Tech Forum Peacock B A panel of Airflow experts will field questions from the audience and discuss solutions and opinions.

TUESDAY, JULY 18TH HEARST CASTLE STATE MONUMENT DAY

Breakfast provided in hotel restaurant for hotel guests

Assemble in the parking lot after breakfast Drive 10 miles to the Castle parking lot; take a park bus to the Castle. Doors open at 9 am. *It is highly recommended that you reserve and purchase tickets as soon after May 18 as possible at hearstcastle.org.* The 10am start is suggested. We plan to be at the Visitor Center by 9:30 to catch the park bus for the 10:00 tour. Various tours are available, but the one recommended for first time visitors is called the **Grand Rooms Tour**. Current prices: \$30 for adults; \$15 ages 5-12. Tickets are also available at the door, but can sell out.

Tuesday Alternate If you have recently visited Hearst Castle or don't care to visit just now, never fear! Tuesday might be a good day to visit the **Piedras Blancas Light Station**, on your own, or with the pre-ordered guided tour, as well as the **San Simeon Elephant Seal Rookery**. See **Monday Morning Alternate** for details.

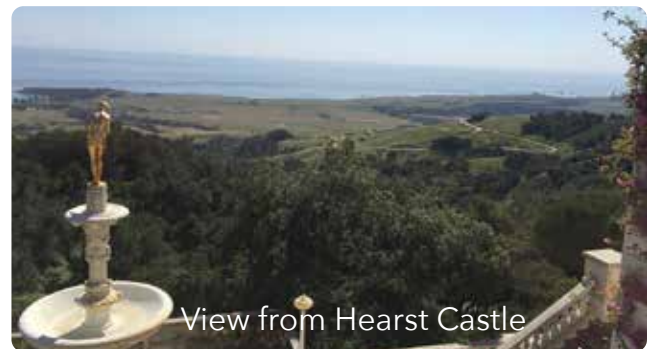

Lunch – On your own. Take advantage of the many great options from the *DIY Tour Book*.

Tuesday Afternoon – free time for further touring or visiting. **Reminder:** the Car Show is Wednesday morning, in case your Airflow needs any attention before the show.

5:00 pm – Members General Meeting in Peacock B. All members are encouraged to attend.
