

The Western Region of the Airflow Club is hard at work planning for next year's National Meet on the California Central Coast. Hotel reservations are now open. The Airflow Club contract provides for reduced rates on limited quantities of various rooms, so please reserve your room early to get the room type you want. Below are the instructions from the hotel.

NOTE: I just booked my room, and I found that the online system does not currently allow you to extend your stay before or after the meet. We have asked the hotel to correct that. Meanwhile, you should be able to make an extended booking by telephone if you want to arrive early or stay a day or two after the meet ends.

How to make reservations online and over the phone

You may give your guests our toll-free reservations number (800-966-6490) so that they can call to reserve rooms for the event. They will be given a choice of the rooms we have blocked for the group after they say they are with the **Airflow Club of America**. Each room is to be guaranteed with a credit card by the person who makes the reservation.

They can also book their room **online at this link** with the following instructions.

<https://reservations.travelclick.com/104234?groupID=3639467>

- Click on 'Select & Go to The Next Step'
- Select the desired dates needed
- Then select 'Update Dates of Stay'
